## **Transition Experiences**

We would like to invite prospective students to Wrotham School to experience our taster lessons on Wednesday after school during September and October 2023. These lessons are strictly for students transferring to secondary school in September 2024.

The purpose of the lessons is to provide a 'taster' of education in a secondary school where students can extend their talents in subjects of their choice. Students can attend one subject per week.

The one hour session will run as follows:

- 3:35pm - students to report to reception and sign in with parent/carer
- 3:45pm - students will be collected from the hall by a teacher and taken to the classroom
- 4:45pm - students will be escorted back to the main hall for collection by parent/carer
