2<sup>nd</sup> January 2024

Dear Parents

## 2024 Spring Term Curriculum Letter for Palmer Class

Welcome to the Spring Term at Shoreham Village School.

We hope you have all had a wonderful Christmas holiday and are looking forward to a new year. A copy of the curriculum map for this term is attached for your information, along with a homework timetable. PE will be on a Monday and Friday afternoon, the children will need to come to school wearing their PE kit on those days.

We ask that reading records be handed into school each day so that they can be used as a means of communication with your child's class teacher. It is important that you read with your child every day. They will be sent home with a reading book, which they should read at least three times for fluency, as well as a reading for pleasure book to be shared with parents. Please note when they have read in the reading records. When a child has read 100 times with accompanying signatures, they will be awarded a book of their choice. Homework will be set on the school website under Palmer Class on a **Friday** and collected in on a Wednesday. It may not always be possible for your child to complete all of the homework set, but please encourage them to finish what they are capable of, and then spend some time reading **every day**. It is important that the children get into a routine of reading instructions and questions for themselves and to have a good attempt at the work set.

Please ensure your child brings a named water bottle to school that they take home daily to be washed and refilled and that all personal clothing and items are labelled.

Please be on the lookout for letters, parent mail and information on the website informing you of events taking place. We are confident that your child will have a happy, productive and enjoyable term but should you wish to discuss any aspects of their experiences at our school, please do not hesitate to pop in and discuss them with us, preferably after school, or make an appointment through the School Office.

Many thanks for your continued support.  
Yours sincerely

Miss Krista Watts  
Palmer Class Teacher

Mrs Gillian Lovatt-Young  
Headteacher

## Year 1/2 Autumn term 3 Curriculum Map

Mathematics	Place value within 20: Sorting, counting, comparing and representation using objects, recognising numbers as words, counting on and understanding '1 more', '1 less', comparing and ordering numbers, number lines, working with numbers to 20. Addition and subtraction within 20: number bonds to add and subtract, doubling, related facts. Money: pence, pounds, notes and coins, calculating, making a pound and finding change. Multiplication and division: recognising, making and adding equal groups, multiplication sentences and arrays, grouping, sharing, 2, 10 and 5 times-table, dividing, doubling and halving, odd and even numbers.
Literacy	Class book: The Lonely Beast Handwriting: continuation of cursive flow and formation, numerals and days of the week Phonics: following the Read Write Inc (WRI) programme to develop strong phonic knowledge.
